

Allan is a freelance writer and marketing consultant!
He's able to help take your business to the next level.
With experience in SEO and internet marketing, print
and broadcast media, Allan and his team are able to
deliver a tailored marketing solution for your business!

You can email Allan here:

Please note that Allan would rather be shredded to bits by a Dropbear and fed to the sharks off Bondi Beach than spam you!

(Well, I wouldn't want to be shredded by one of those savage beasts of the Australian bush, let alone fed to the sharks, so you can rest assured that I will never spam you, or sell, rent, or give your contact details to anyone else!)
